

CDSL INVESTOR MOBILE APPLICATION- MYEASI

Dear Investor,

To enhance investor awareness, improve transparency, and provide easier access to securities-holding information, CDSL in coordination with SEBI has upgraded its investor mobile application.

The enhanced app now offers investors a consolidated, comprehensive, and user-friendly view of their securities market holdings, facilitating a more seamless and informed investor experience. It may be noted that Phase I of the investor mobile applications has been rolled out with, inter alia, the following key features:

- Consolidated view of securities holdings of investors across both Depositories, thereby
- eliminating the need for multiple logins
- Access to transaction statements and holding statements at a single place, facilitating
- improved portfolio management
- Monitoring open positions and margin details across Stock Exchanges and Clearing
- Corporations
- Facility to exercise e-voting on company resolutions
- Access to recommendations of proxy advisers on resolutions

This enhanced CDSL investor mobile app are designed to empower investors by providing them with convenient, secure, and real-time access to their securities holdings and related information. The upgraded digital interface enables investors to easily view, monitor, and track their portfolios within a trusted and seamless environment.

The new unified features of the CDSL investor application are now accessible through the 'MyEasi' mobile application as well as the CDSL web platform 'Easi/Easiest'. Investors can download the [CDSL MyEasi app](#) from the Google Play Store (for Android devices) or the Apple App Store (for iOS devices) by searching for "[CDSL MyEasi App](#)." For web-based access, investors can visit the following link: [EasiEasiest](#)
